

## Keyware: regulated information with respect to the Law of 2 May 2007

Brussels, Belgium – 28 June 2019 – Keyware (EURONEXT Brussels: KEYW), a leading supplier of electronic-payment solutions and software development, discloses the following information as foreseen by article 15§1 and 18§1 of the Law of 2 May 2007 and by the Royal Decree of 14 February 2008 on the Disclosure of significant participations in listed enterprises:

Caption : Situation on 28/06/2019

### Basic information

Capital :	8,728,693.58 EUR
Total number of voting securities :	23,543,793
Total number of voting rights ('the denominator') :	23,543,793

### Additional information

Total number of rights, represented by securities, to subscribe for voting securities still to be issued (Warrants) :	-
Total number of voting rights which can be acquired when exercising these conversion or subscription rights (Warrants) :	-

As a result of today's exercise of Warrants, there are no remaining not-exercised Warrants of the Company left anymore.

The underlying reason for the change is the capital increase which took place on 28 June 2019 by the exercise of 1,000,000 Warrants, as a result of which capital has been increased to 8,728,693.58 EUR and 1,000,000 shares have been issued.

As per the legally foreseen thresholds and those contained in the articles of association (article 8 of the articles of association of the company Keyware Technologies NV), a notification is required in case an acquisition of voting rights reaches or exceeds a 5% threshold or a multiple thereof (increments of 5%).
